Youth Group Summer 2017

June 2017

To all youth, parents and guardians,

Hope you all are having an enjoyable summer. Recently we had our kick off Youth event for the summer. We volunteered at Sunshine Prevention Center, assisting our Board of Christian Outreach in their endeavor to help the center prepare for their summer camp for kids at risk. The youth had fun working together, painting and cleaning.

We (Janice Flaiz, Mike and Stephanie Clark and Mary Larson) have planned several exciting events for the summer. We have volunteer, and educational opportunities for them to be able to spend time with other youth and to continue to explore their own spiritual journey this summer. In September the Thursday after Rally Day regular Youth Group will resume.

We have included information about each event and registration forms. There is not a formal deadline to sign up for each event, but it would be helpful for us to know how many youth are attending so we can be sure to have enough food and/or equipment if needed.

We are also continuing to offer a special opportunity for our 10th - 12th graders to take a leadership role in the group. If your 10th - 12th grader would like more information they are welcome to contact Mary Larson at 631-473-1582 or email her at mary_larson@optonline.net.

Blessings, From the Youth Group Team
